

## **SHORT CV (LAST UPDATE: 01/05/2020)**

**Anderson Argothy Almeida, PhD**

**Guest Author in the KFIBS Research Group “Latin America”**

### **E-mail**

[triander@hotmail.com](mailto:triander@hotmail.com)

### **Background Information**

Anderson Argothy Almeida, born 1986 in Imbabura (Ecuador), studied economics and innovation management at the Autonomous University of Madrid, the Complutense University of Madrid and the Polytechnic University of Madrid. He received his master’s degree in 2012. Afterwards, he started his PhD in economics and business at the University of León on innovation in public companies and economic development in Ecuador. Argothy Almeida received his doctorate in 2017 and has published numerous articles in international journals and university publication formats during and after his doctorate. In addition, he regularly takes part in international conferences as an active participant and is a lecturer at Spanish and Ecuadorian universities. During his career, he won several grants and scholarships for his studies, workshops, summer schools and conferences. Since October 2017 until February 2020, he was a Research Professor at the Technical University of the North in Ibarra (Ecuador). Currently he is part-time Professor in the master’s programme at the Pontifical Catholic University of Ecuador.
